Temporary Driver License

- Applicants will receive a temporary license and may keep the old license which will be punched "VOID."
- The permanent license will be produced at a secure U.S. facility.
- The new license will be mailed in an unmarked envelope (similar to credit card mailings) and will typically arrive in the mail at your home within 7 to 10 business days.

Laminate

12 Each card is laminated with an optically variable pattern with the text "Missouri" and the state seal.

The laminate shows an ultraviolet ink pattern when placed directly under a black light source.

Previous Format

Current licenses and nondriver identification cards remain valid until they expire. New and renewed licenses and identification cards will be issued under the new process.

- 13 1D Barcode for factory use only.
- 2D Barcode includes data from the front side of the card.
- Class, Endorsement, and Restriction definitions will now be printed on the back of the card.
- Optional veteran, boater, and disability indicators.
